GUARDIAN COMMITMENT

Guardians will be responsible for securing and arranging safe transportation to and from the site for the student each day.

A guardian or alternate emergency contact **MUST** be available by phone at all times in case a child needs to leave the program for a health-related matter or other issue. If no one is available after 3 tries or 30 minutes, DCFS will be contacted.

PARTICIPATION

Guardians will communicate the needed weekly schedule for their students and must maintain regular attendance to hold the student's spot in the program

If you are unable to contribute financially towards your child's participation, please talk to Cara about how else you might support this program.

Outside of school times, we ask all families continue protecting themselves and others from COVID-19 the very best they can by avoiding traveling and large crowds and social distancing and wearing masks in public.

FOOD SERVICE

We are not legally allowed to provide lunch for students. Students may bring a sack lunch and one snack, but no sodas or candy, please.

If your child receives free/reduced lunches from the school or would like to purchase a school "Grab-n-Go" lunch each day, we will have a volunteer delivering school lunches to our space daily.

It is the honor and privilege of Hope Church to partner with your family in creating a safe and effective setting for your student to reach their goals this year. We look forward to working with you and invite you to reach out any time, if needed.
